PROFESSIONAL SUMMARY

Front-End Web Developer with 2+ years of experience building responsive, cross-browser websites using HTML, CSS, JavaScript, PHP, WordPress, and Wix. Skilled at translating design specifications into clean, maintainable code, and collaborating with cross-functional teams to deliver projects on schedule. Recognized as Top Developer of the Month for consistent code quality and reliability.

PROFESSIONAL EXPERIENCE

Front-End Web Developer — ProWeaver PH Feb 2024 – Present

- Build and maintain responsive, cross-browser websites for clients using HTML, CSS, JavaScript, and PHP, ensuring consistent performance across devices.
- Design and develop custom WordPress and Wix websites and themes, translating design specifications into functional, user-friendly interfaces.
- Partner with designers, project managers, and QA within cross-functional teams to deliver client projects on schedule.
- Conduct code reviews, fix bugs, and maintain site content, strengthening code quality and long-term reliability.
- Recognized as Top Developer of the Month multiple times for consistent performance and output.

Admin Staff (EDP) — Salazar Colleges of Science and Institute of Technology Jul 2023 – Jan 2024

- Managed academic records and data within student information systems, improving data accuracy and accessibility for staff.

IT On-the-Job Trainee — RHU-LGU Madridejos 2022

- Supported digital record management and basic technical operations for a government health unit, building foundational IT and troubleshooting skills.
